

RYA Intermediate Powerboat course Syllabus

Subjects covered in this course will include:

Practical

Boat preparation

- Understands of:
- Protective clothing and safety equipment
- Minimum level of equipment for a boat
- Considerations of equipment required for longer passages
- Stowage of equipment
- Boat Handling

Knowledge of:

- Effects of waves
- Rougher conditions
- Awareness of other water users
- Mooring stern to between posts - med style mooring

Can:

- Demonstrate awareness of wind and tide
- Moore alongside in a marina - where applicable
- Demonstrate the use of an appropriate length kill cord at all times

RYA Intermediate Powerboat course Syllabus

Pilotage:

- Demonstrate a practical application of technique for pilotage in local waters

Passage making

Understands:

- The need for pre-planning to include advice for returning at night

Can:

- Apply the lessons learnt in the theory sessions and successfully complete a practical passage
- Fix positions by traditional methods and electronic methods

Man over board:

Understands:

- Techniques for picking a man over board in different conditions

Can:

- Pick a man over board up

Theory session

Planning a day cruise

Knowledge of:

- Navigation
- True and magnetic bearings
- Chart symbols
- bearing and distance
- Use of pilot books

RYA Intermediate Powerboat course Syllabus

- Tidal diamonds and tidal atlas
- Position lines
- Use of marina locks - this can be covered practically *Ocean Sports Tuition will do this as we refuel in Hythe marina which has a lock*

Understands:

- Longitude and latitude
- Principles of GPS
- Sources of weather forecasts and interruption of forecasts
- Tidal heights and secondary ports

Can:

- Using a plotter and plot a course to steer - CTS
- Work out a tidal heights for standard ports using a tidal curve
- Interpret lateral and cardinal buoyage
- Implement IRPCS. Implement rule 5,7,8,9 12-19, 23
- Use a GPS waypoint navigation and determine XTE, SOG, COG, BTW & DTW
- Use a laminated chart afloat
- Use a pilotage to enter an unfamiliar port by day
- Explain how to make a emergency VHF call

This information was taken from the RYA powerboat log book.
